Authorized Rural Broadband Experiment (RBE) recipients must address the certification for public interest obligations, provide a list of newly served community anchor institutions, and provide a list of locations where broadband has been deployed.

Public Interest Obligations – FCC 14-98 (paragraphs 26-29, 78)

Please address Line 4001 regarding compliance with the Commission’s public interest obligations. All RBE participants must provide a response to Line 4001.

**4001.** Recipient certifies that it is offering broadband to the identified locations meeting the requisite public interest obligations consistent with the category for which they were selected, including broadband speed, latency, usage capacity, and rates that are reasonably comparable to rates for comparable offerings in urban areas?

Community Anchor Institutions – FCC 14-98 (paragraph 79)

**4003a.** RBE participants must provide the number, names, and addresses of community anchor institutions to which they newly deployed broadband service in the preceding calendar year. On this line, please respond (yes – attach new community anchors, no – no new anchors) to indicate whether this list will be provided.

If yes to 4003A, please provide a response for 4003B.

<b>4003b.</b> Provide the number, names and addresses of community anchor institutions to which the recipient newly began providing access to broadband service in the preceding calendar year.	Name of Attached Document Listing Required Information	_____
---	--	-------

Broadband Deployment Locations – FCC 14-98 (paragraph 80)

<b>4004a.</b> Attach a list of geocoded locations to which broadband has been deployed as of the June 1st immediately preceding the July 1st filing deadline for the FCC Form 481.	Name of Attached Document Listing Required Information	_____
--	--	-------

<b>4004b.</b> Attach evidence demonstrating that the recipient is meeting the relevant public service obligations for the identified locations. Materials must at least detail the pricing, offered broadband speed and data usage allowances available in the relevant geographic area.	Name of Attached Document Listing Required Information	_____

Pursuant to the Federal Communications Commission's rules<sup>1</sup>, in calendar year 2015, Lakeland Communications Group, LLC (Milltown) attempted discussions with the Tribal governments for Tribal entities whose boundaries are within Milltown's study area. Those engagement efforts addressed the following information:

- (a) Assessing communications needs, including the needs of key community anchor institutions;
- (b) Assessing the feasibility and sustainability of network investments;
- (c) Marketing services in an appropriate and effective manner;
- (d) Obtaining rights of way, land use permitting, facilities sighting and obtaining environmental and cultural preservation assessments and approvals; and
- (e) Complying with local business and licensing requirements.

Milltown did not receive a response during calendar year 2015.

This certification should not be interpreted as Milltown making any representations, express or implied, regarding compliance with any Tribal laws or regulations. That is outside the scope of this filing and this certification.

Re: FCC Order 11-161, DA 12-1165 Tribal Land Engagement.

Dear Stuart;

Lakeland Communications Group serves the St Croix Tribal area with phone and internet service. I am writing you today to initiate conversation with your Tribal government and leaders to discuss any and all options to better serve your lands with high speed technology. Specifically, I would like to discuss your specific communications goals, needs and priorities. We offer voice and High speed broadband services to your area today, and would like to initiate a conversation to see if there is anything we can do to assist you with further needs.

## **LINE 1010 – VOICE SERVICES RATE COMPARABILITY**

The Wireline Competition Bureau's most recent reasonable comparability benchmark for voice services is \$41.07, which includes the federal subscriber line charge ("SLC").

In all of the exchanges served by the Lakeland Communications Group, LLC - Milltown, the single-line residential local rate, including any mandatory extended area service charge, is \$15.40. When the federal SLC (\$6.50) and the other state fees are included, the rate becomes \$22.50. Therefore, the Company's pricing of fixed voice services is less than the reasonable comparability benchmark of \$41.07.

Form 481 Line No.: 1210 Terms and Conditions of Voice Telephony Lifeline

- **Lakeland Communications Group, LLC - Milltown offers Lifeline Service credit according to basic service requirements listed in Wisconsin Administrative Code 160.03 and 160.04:**

**PSC 160.03 Essential telecommunications services.**

**(1)** For purposes of this subsection:

- (a)** "911" means a service that permits a telecommunications user to use the three-digit code '911', to access emergency services through a public safety answering point operated by a local government.
- (b)** "Directory assistance" means a service that includes making available to customers, upon request, information contained in directory listings, such as customer address and telephone number.
- (c)** "Dual tone multi-frequency" means a method of signaling that facilitates the transportation of signaling through the network, shortening call set-up time.
- (d)** "Emergency services" includes services, such as 911 and enhanced 911, provided by local governments or other public safety organizations.
- (e)** "Enhanced 911" means 911 service that includes the ability to provide automatic numbering information, which enables the public safety answering point to call back if the call is disconnected, and automatic location information, which permits emergency service providers to identify the geographic location of the calling party.
- (f)** "Interexchange service" means the use of the loop, as well as that portion of the switch that is paid for by the end user, or the functional equivalent of these network elements in the case of a wireless provider, necessary to access an interexchange provider's network.
- (g)** "Local usage" means an amount of exchange service, prescribed by the commission, provided free of charge to end users.
- (h)** "Operator services" means any automatic or live assistance to a customer to arrange for billing or completion, or both, of a telephone call.
- (i)** "Single-party service" means telecommunications service that permits users to have exclusive use of a landline subscriber loop or access line for each call placed, or, in the case of wireless providers, which use spectrum shared among users to provide service, a dedicated message path for the length of a user's particular transmission.
- (j)** "Voice grade access" means a functionality that enables a user of telecommunications services to transmit voice communications, including signaling the network that the caller wishes to place a call, and to receive voice communications, including receiving a signal indicating there is an incoming call.

**(1m)** Each eligible telecommunications carrier shall make all essential telecommunications services available to all of its customers.

**(2)** "Essential telecommunications services" means the service or functionalities listed in 47 CFR 54.101.

**PSC 160.04 Call limitation.**

**(1)** Call limitation obligations.

- (a)** Except as provided in pars. (b) and (c), every local exchange service provider in the state shall offer call limitation capability for each of the following:
  1. Long distance toll calls.

SAC: 330910

State: Wisconsin

Lakeland Communications Group, LLC – Milltown

Form 481 Line No.: 1210 Terms and Conditions of Voice Telephony Lifeline

- 2. Pay-per-call service.
  - 3. Collect toll calls.
  - 4. Toll calls charged to a telephone credit card associated with the telephone number for which call limitation has been requested.
  - 5. Toll calls charged to a third telephone number for which call limitation has been requested.
  - (b) Federal-only eligible telecommunications carriers are not required to offer any call limitation capabilities to customers who are not low income and need only offer blocking of outgoing toll calls to customers who are low income.
  - (c) A local exchange service provider is not required to offer the blocking under par. (a) 1., 3., 4., or 5., to a customer that has service that does not include a fee for such calls that is in addition to the per month or per billing cycle price of service.
  - (2) Charges. A local exchange service provider may not impose a charge for the cost of blocking pay-per-call services the first time a customer requests such blocking.
  - (3) Emergency service. A local exchange service provider may not impose a call limitation that prevents a customer from reaching the emergency service numbers appropriate for the customer's location.
  - (4) Public notification and education. An eligible telecommunications carrier shall make reasonable efforts to inform its customers of the availability of and, where charge-free, eligibility requirements for, call limitation services. An eligible telecommunications carrier shall also make reasonable efforts to instruct customers requesting the service in the use of the service.
- **Lakeland Communications Group, LLC - Milltown does adhere to all Federal Lifeline eligibility rules and regulations as well as Wisconsin Administrative Code "Chapter PSC 160" which states:**

**PSC 160.02 Definitions.**

- 8) "Low-Income" means a household that receives benefits from one or more of the following programs:
- (a) Wisconsin Works
  - (b) Medical Assistance
  - (c) Supplemental security income
  - (d) Food stamps
  - (e) The low income household energy assistance program
  - (f) The Wisconsin homestead tax credit
  - (g) Badger care
  - (h) Senior care
  - (i) National School Lunch Program (SNAP)
  - (j) Temporary Assistance for Needy Families
  - (k) As approved by the commission, other state or federally administered programs for households with income levels equal to or less than 200% of the poverty line.

**PSC 160.06 Eligibility for low-income programs.**

- (1) Low income assistance eligibility.

SAC: 330910

State: Wisconsin

Lakeland Communications Group, LLC – Milltown

Form 481 Line No.: 1210 Terms and Conditions of Voice Telephony Lifeline

- (a) All ETCs shall verify an applicant's eligibility for low-income assistance programs by making timely queries of the applicable databases of the Wisconsin department of health services, the Wisconsin department of revenue, or other government agencies designated by the commission. An ETC shall verify an applicant's eligibility by finding the applicant to be any of the following:
  - 1. An active client of at least one of the programs listed in s. PSC 160.02 (21) (a).
  - 2. A member of the active client's household whose low income qualifies the client for benefits under at least one of the programs listed in s. PSC 160.02 (21) (a).
  - 3. At an income level that meets the conditions in s. PSC 160.02 (21) (b).
  - 4. At an income level that meets the conditions of any other federal low-income eligibility criteria.
- (b) Notwithstanding par. (a), an eligible telecommunications carrier shall verify an applicant as eligible for low-income assistance programs if the applicant qualifies for federal universal service fund support for eligible residents of tribal lands under 47 CFR 54.500 *et seq.*
- (c) If an eligible telecommunications carrier cannot verify an applicant's eligibility under par. (a) or (b), in addition to the households considered low-income under the definition in s. PSC 160.02 (21), the ETC shall consider a household that receives benefits from federal public housing assistance (section 8) to be low-income.
- (2) Eligibility re-verification. An eligible telecommunications carrier shall re-verify eligibility on at least an annual basis for all customers receiving lifeline assistance. The eligible telecommunications carrier shall first attempt to re-verify eligibility by making timely queries of the applicable databases of the Wisconsin department of health services, the Wisconsin department of revenue, or other government agencies designated by the commission.
- (3) Eligibility inquiry. Eligible telecommunications carriers other than federal-only ETCs shall inquire of each customer regarding eligibility of that customer for low-income programs on each order for initial or moved residential service an, orally or in writing, in the first contact with the customer during a year concerning disconnection or payment arrangements.
- (4) Query authorization.
  - (a) Customer shall complete and remit any reasonably required query authorization forms or forfeit eligibility.
  - (b) Eligible telecommunications carriers shall obtain whatever customer authorization is required by the Wisconsin department of health services, the Wisconsin department of revenue, or other government agencies for the database queries necessary for eligibility verification. The commission may revoke the eligible telecommunications carrier designation and order the forfeiture of reimbursements if it accesses a customer's database information without that customer's authorization. The commission may also refer the eligible telecommunications carrier to the Wisconsin department of justice or other state agency for appropriate action.
- (5) Applicant requirements. Notwithstanding any other provision of this section, an applicant is only eligible for low-income assistance programs under this chapter if the applicant provides all of the information required under state and federal law.

**PSC 160.061 Link-up program.** The commission may fund programs to identify and provide monetary assistance to low-income persons who are unlikely to be able to obtain telecommunications service without such assistance. Such programs may include customers who qualify for federal universal service fund support for eligible residents of tribal lands under 47 CFR 54.400 *et seq.*

**PSC 160.062 Lifeline program.****(1) Definitions.**

- (a)** For purposes of subs. (2) to (7), “eligible telecommunications carrier” or “ETC” means only full and low-income ETCs, and does not include federal-only ETCs.
- (b)** For purposes of this section, “line” means an access line, service to an activated wireless handset, or service to an internet connection used as a substitute for a traditional telecommunications connection.
- (c)** For purposes of this section, “lifeline monthly rate” means the lifeline base rate under sub. (2) minus the lifeline adjustment under sub (2g) or (2r).

**(1g) Applicability.** An eligible telecommunications carrier may apply the lifeline adjustment under sub. (2g) to any residential service that includes voice service, including bundles of voice and data services, and bundles that includes optional calling features such as caller identification, call waiting, voice mail and three-way calling.**(1r) Eligibility.**

- (a)** All eligible telecommunications carriers shall offer to all qualified low-income customers a lifeline adjustment to the customer’s rate for either of the following:
  1. Essential telecommunications service, whether stand-alone or as part of a service package.
  2. Internet access, if the customer demonstrates that, because of his or her disability other than cognitive impairment, certified under s. PSC 160.071 (1), the customer requires internet access that is adequate to support service that is substitutable for and comparable to essential telecommunications service.

**Note:** An example under subd. 2. Is a video relay service.**(b)** An ETC taking an application for the lifeline programs shall do the following:

1. Unless the ETC uses a state or federal duplication prevention database, ask the applicant if he or she is currently receiving a lifeline adjustment on any other line.
  2. Require the applicant to certify that he or she is not currently receiving a lifeline adjustment on any other line or from any other provider.
  3. Only offer and apply the lifeline adjustment on one line.
  4. Ensure that any federal requirements about lifeline are met.
- (c)** A customer may not request a lifeline adjustment on more than one line. An ETC shall not apply the lifeline adjustment unless the customer has certified under par. (b) that the customer is not receiving a lifeline adjustment on another line or from any other provider.
- (d)** If an ETC becomes aware that a customer is receiving a lifeline adjustment on more than one line or from more than one provider, the ETC shall provide notice and take action under sub. (4) to ensure that the customer receives a lifeline adjustment on only one line.

**(2) Lifeline base rate.** The lifeline base rate is one of the following:

- (a)** For an eligible telecommunications carrier offering local service on a stand-alone basis, the sum of:
  1. The in-state charges and fees for stand-alone single-party residential service with touch-tone, including, as applicable, all of the following:
    - a.** Police and fire protection fee.
    - b.** State universal service fund assessment.
    - c.** Remainder assessment.
    - d.** Telecommunications utility trade practices assessment.

2. Any 911 charges billed on the telephone bill.
3. The federal subscriber line charge.
4. The access recovery charge.
5. The charge for 120 local calls, excluding extended community calling calls.
6. Other charges as approved by the commission.
- (b) \$25, if the eligible telecommunications carrier does not offer local service on a stand-alone basis, and only offers it as part of a service package.
- (c) The commission may authorize a different lifeline base rate based on the particular facts and circumstances concerning an eligible telecommunications carrier's local service or internet access charges.
- (2g) Lifeline adjustment.
  - (a) Except as provided in par. (b) and sub. (2r):
    1. If the lifeline base rate is \$25 or less, the lifeline adjustment shall be \$10.
    2. If the lifeline base rate of greater than \$25, the lifeline adjustment shall be the lesser of the following:
      - a. The amount necessary to reduce the lifeline monthly rate to \$15.
      - b. The maximum reimbursement available under 47 CFR 54.403, plus \$9.25.
  - (b) If the ETC offers prepaid wireless service, the lifeline adjustment for that service shall be the greater of the following:
    1. The number of minutes that, when calculated using the lowest per minute rate the ETC offers to its prepaid wireless customers, equals or exceeds the value of the adjustment under par. (a) that would otherwise apply.
    2. The number of minutes recognized by the federal communications commission as an acceptable compliance plan provision for that provider.
  - (c) The adjustment under par (a) 1. Shall be increased automatically if both of the following occur:
    1. A federal communications commission order or a change in federal law causes an increase in a customer's lifeline base rate.
    2. The state reimbursement amount after the increased lifeline adjustment is not greater than it was before the federal communications commission order or change in federal law.
  - (d) Notwithstanding subs. (2g) and (2r), the lifeline adjustment for partial months of service shall follow the policy set by the federal universal service administration corporation or its successors.
- (2r) Adjustments for residents of tribal lands.
  - (a) When a customer qualifies for federal universal service fund support for eligible residents of tribal lands under 47 CFR 54.400 *et seq.*:
    1. If the lifeline base rate under sub. (2) is \$25 or less, the lifeline adjustment shall be \$10, plus whatever federal universal service fund support the customer qualifies for as an eligible resident of tribal lands.
    2. If the lifeline base rate under sub. (2) is greater than \$25, the lifeline adjustment shall be the amount necessary to reduce the lifeline monthly rate to the level at which the adjustment results in a state reimbursement amount that is equal to what it would be under sub. (2g) (a) 2., plus whatever federal universal service fund support the customer qualifies for as an eligible resident of tribal lands.

(b) The adjustment under par. (a) 1. Shall be increased automatically if both of the following occur:

1. A federal communications commission order or a change in federal law causes an increase in a customer's lifeline base rate.
2. The state reimbursement amount after the increased adjustment is not greater than it was before the federal communications commission order or change in federal law.

**PSC 160.063 Outreach for low-income assistance programs.**

- (1) Funding may be available to fund projects to increase participation of the eligible populations in the universal service fund low-income support programs.
- (2) Funding from the universal service fund for projects under sub. (1) may not exceed \$250,000 in one year. Funding shall be limited to not more than 6 projects with at least one project focused statewide and one project focused on the Milwaukee area, if feasible.
- (3) The commission may periodically review applications and grant funding, when funding is available, based on complete responses to a request for applications. An application may involve disbursement of support during multiple state fiscal years. All applications become public documents upon filing.
- (3m) An application for funding under sub. (1) shall include all of the following:
  - (a) A description of the proposed project.
  - (b) The name and a description of any project partners and the role of each partner.
  - (c) A description of the proposed activities and an explanation of how those activities may increase participation of eligible populations in the universal service fund low-income support programs.
  - (d) A budget showing a breakdown of costs and how a grant under this section would be used.
  - (e) Any other information that the commission considers necessary.
- (4) The commission may authorize funding to conduct or contract for an evaluation of the effectiveness of this program in promoting enrollment in low-income programs and subscribership to telecommunications service. The evaluation shall be completed within 2 years of the date on which the commission grants the project funding. The cost of this evaluation shall not exceed \$25,000. The 425,000 shall be included as part of the \$250,000 maximum total funding available under this section during the year in which the evaluation occurs.

**PSC 160.08 Telecommunications customer assistance program.**

The commission may authorize individual telecommunications providers to establish telecommunications customer assistance programs that meet authorized goals and objectives for increasing or stabilizing subscription levels for non-optional, essential telephone service within its service territory or to address avoidance of disconnection or limitation of service to low-income households with payment problems. The customer assistance programs may allow a provider to not make available certain essential services, as defined in s. PSC 160.03(2), in order to keep at least minimal telephone service to certain low-income households with payment problems. The commission shall determine on a case-by-case basis whether or not a telecommunications customer assistance program may receive universal service fund monies.
